

Response to "Covid-19 infection" and related information
(Third report: Suspension of attendance at the College
from the onset of symptoms and requirements for cancellation)

If you have or are suspected of having a Covid-19 infection, your attendance at the College will be suspended in accordance with Article 19 of the School Health and Safety Act.

As a general rule, the period of suspension of attendance will be based on Item 1, "Until healed", and the College will deal with each case in accordance with the reasons given below.

(1) Contacting the College and procedural flow until examination/consultation

Onset of symptoms ~ suspension of College attendance	Report to the College
<p>① If you have any of the following symptoms:</p> <ul style="list-style-type: none"> • High fever, shortness of breath, cough, difficulty in breathing, fatigue, impaired sense of taste • Persistent cold symptoms such as fever and cough continue <p>② When there is a possibility of you being a close contact: ↓ For both cases above, contact the College by phone and e-mail.</p> <p>③ Please search the website of the Ministry of Health, Labor and Welfare or the Returnee/Contact Person Consultation Center at your place of residence and consult with them first. You will be advised as to whether you require an examination or consultation at a medical institution. (Do not self-isolate or go directly to a medical institution at your own discretion.)</p> <p>④ Report the result of the consultation to the College.</p>	<p>○ Infirmary/Student Support Department/Homeroom Teacher/International Exchange Center Phone: 06-6782-2824 e-mail: corona@higashiosaka.ac.jp</p> <p>Fill out the "Questionnaire" and send it with a photograph attached, or contact the College by phone.</p>

(2) Suspension of College attendance and requirements for cancellation

	Reason for suspension of College attendance	Requirement for lifting suspension of College attendance
A	Diagnosed as Covid-19 positive through a required PCR test, etc.	Until healed
B	Diagnosed as Covid-19 negative through a required PCR test, etc.	Until the end of the "self-isolation" period as instructed by the Public Health Center, etc.
C	An instruction to self-isolate as a preventive measure, although an examination or consultation was not necessary, was received from the Public Health Center, etc. While self-isolating, please follow the instructions from the Infirmary such as taking temperature measurements twice daily in the mornings and evenings.	Until the passage of two weeks following the disappearance of symptoms
D	Overseas traveler/returnee	Self-isolate for two weeks in accordance with the instructions received at the time of entry.

(3) If it is recognized that you are able to return to the College, please contact the Infirmary before returning to the College.

Questionnaire(Fill out and send this in a picture to the College, or call.)

☎ First of all, CONTACT the College AND your local Public Health Center!!

Answer Date	____(day) / ____ (month) / ____ (year)
Student ID Number	
Name	
Your Current Temperature	°C
What symptoms do you have? Check the appropriate items to the right and fill in the blanks.	<input type="checkbox"/> Fever (Max °C,) <input type="checkbox"/> Taking Antipyretic(Antifebrile) <input type="checkbox"/> Not taking <input type="checkbox"/> Cough <input type="checkbox"/> Shortness of breath <input type="checkbox"/> Runny nose <input type="checkbox"/> Sore Throat <input type="checkbox"/> Malaise <input type="checkbox"/> Diarrhea <input type="checkbox"/> Headache <input type="checkbox"/> Dysgeusia <input type="checkbox"/> Olfactory disorder <input type="checkbox"/> Other symptoms (detail: _____)
How long have you had those symptoms?	From ____ (day)/ ____ (month) / ____ (year)
What date is your last coming to the College ?	____ (day)/ ____ (month) / ____ (year)

【From nurse's room of the college】

First,CALL your local health center for a consultation and follow them which clinic or hospital you should go or stay home.

As your going to a hospital/clinic,

1)If a PCR test is...

①required : You get tested ____ (day)____ (month) ____ (year).

*After that, Stay home and isolate yourself until the test result is out.

(Examination gee: Only the initial examination fee you shall bear.)

②not required : Stay home, isolate yourself and fill out the observation form everyday.

After a permission from the college's or your local health center, bring that form to the college.

2)Ask a doctor when you may go to the college again, and then tell that date to the college.

Before you go to the college again with some permission, Make sure to let the college know.

保健所へ電話をします

「私は(住所)に住んでいる(名前)といます。

(国籍)の留学生です。

〇〇月〇〇日から熱が(°C)でています。

他にもこのような(症状)があります。近くの病院に行ってもいいですか？

保健所の職員から質問がされます

- ① もともと持っている病気(基礎疾患)はありますか
- ② 毎日、飲んでいる薬はありますか
- ③ 他の病気で病院に行っていないか
- ④ 女性は妊娠していませんか
- ⑤ あなたの近くで「濃厚接触者」はいませんか
- ⑥ 2週間以内で海外渡航歴はないですか

病院に行くよう言われた場合(コロナ対応病院)

近くの病院に直接行かずに、必ず電話をして次のように話しをします。

「私は、〇〇保健所から病院に行くように言われた(名前)です。

〇〇月〇〇日から熱(°C)でています。他にも(症状)があります。」

=> 病院に行く日と時間などが説明されます。

※保健所や病院との内容がわからない時は、国際交流センターへ電話してください。

受診後は結果をすぐに大学へ報告し、指示に従うこと。
